please contact the church office at
churchoffice@shcong.org or (413)527-1173

www.shcong.org

Join in a fun day of rocking in a chair supported by your financial sponsors. The church and community cupboard will benefit from your efforts, and you will benefit from the experience. Enter as a team so that at least one member of your team is rocking at all times or enter as an individual to rock for as long as you wish. Special events will happen during different time blocks during the day. Movie time, prayer time, trivia time, singing time, bingo, story time and more! Bring what you like to do while you rock. Synchronized rocking will be encouraged for 5 minutes every hour. A good time for all ages! Watch the church website and publications for detailed schedule information. Pledge sheets for you to gather support from friends and neighbors are available in the Parish Hall, the Old Sunday School Room, online, and from the church office. Prizes will be offered for the most funds raised by an individual and a team, the longest continual rocker, the youngest rocker, and the oldest rocker. Individuals who rock the whole day will be specially recognized. Bring your own rocking chair or let us find one for you. Saturday, February 23, 9am-9pm. If you aren't able to participate but have a rocking chair to lend for the day, please let the office know at churchoffice@shcong.org.
